

AGM 12V 250AH

What is a 12V 250Ah battery?

The NPP 12V 250Ah battery is a 12-volt deep cycle sealed lead acid battery that can build 24V, 36V, and 48V battery banks. It is designed for home energy storage, off-grid battery, and solar battery applications, and is compatible with various inverters, MPPT, and chargers. This 12V 250Ah Gel battery provides a maximum of 1200+ deep cycles and 3000Wh energy, making it more capable than a standard 12V 200Ah battery.

What is a npd12-250 Ah sealed lead acid AGM deep cycle battery?

The NPD12-250Ah Sealed Lead Acid AGM Deep Cycle Battery is a 12 volt 250 Ah battery made with heavy duty lead calcium grids and has a 10+ years floating design life. The NPD series is ideal for standby power supplies or frequent cyclic discharge applications.

What is a NPG 12 volt 250 amp battery?

The NPG12-250Ah Sealed Lead Acid AGM Gel Battery is made with heavy duty lead calcium grids with 10+ years of floating design life. The NPG series is ideal for standby power supplies or frequent cyclic discharge applications. This NPG 12 volt 250 Amp battery will give you all the power that you need when you need it.

How long does a 12V 250Ah battery last in cycles?

The 12V 250Ah Battery from NPP has a lifespan of more than 1200 cycles. It is maintenance-free and spill proof due to the AGM & VRLA (valve regulated) technology that eliminates spills and overpressure.

What is AGM deep cycle battery used for?

Usage: This 12v AGM deep cycle battery series is primarily used in golf carts, industrial equipment, floor machines, forklifts, aerial lifts and robotics. Its specialized high-density lead paste formula allows for extended life cycles making it a premium option as a solar battery.

Is the AGM battery a sealed or non-spillable battery?

This battery is a sealed (Non-Spillable) requires no addition of water during the life of the battery. The AGM Battery is TRUE DEEP CYCLE can be mounted in any position, requires no maintenance and may be transported by Air or Ground without any special handling regulations.

UB-8DA-L4 is a general purpose AGM battery with up to 5 years in standby service or more than 260 cycles at 100% discharge in cycle service. As with all Universal Power Group batteries, all are rechargeable, highly efficient, leak ...

Huolehdittava akkujen riittävästi; v; st; varaustilasta talviaikana. PowerXon Deep Cycle AGM-akku 250 Ah Malli: DS-250 Mitat: 522 x 240 x 219 (240) Paino: 61,9 kg Kapasiteetti: 200Ah/10h, 220Ah/20h, 250Ah/100h K; ytt; ik; yli 5 ...
