

Container Solutions 215kWh HV Hubble Energy

What services does Hubble offer?

Hubble offers service and accessible assistance nationwide to resellers and end-users alike with a dedicated in-house technical support & service team. Hubble Energy is a leading battery manufacturer that designs, engineers and supplies lithium storage solutions from homes to large commercial applications.

What is Hubble Cloudlink?

The Hubble Cloudlink is an innovative device that allows for remote internet monitoring of critical battery settings and system features, which not only enables customers and installers to monitor their systems over the cloud but also assists our technical support team in quickly providing diagnostics and solutions with ease.

Which prismatic cells are used by Hubble energy?

We only use the highest quality prismatic cells from leading manufacturers. This includes BYD and CATL prismatic Li-Ion cells, which are known to be the leaders in high quality lithium cells. We are thrilled to announce the launch of Hubble Energy's next-generation Container Solutions.

Hubble Energy's Outdoor and Container Solutions offer robust, scalable energy storage designed to meet corporate and industrial demands, eco-tourism, and agricultural applications. Our innovative products, including the Energy Cube ...
