

DG Series 6V Ritar Power

What kind of batteries does Ritar make?

Read Here: A Review of Victron Batteries Ritar makes a range of flooded batteries, OPzV, OPzS, AGM, Li-ion and Gel Cells for solar and inverter storage use. They also have a range of lead carbon batteries. Batteries in this series are deep cycle Gel VRLA batteries. They can deliver 400 cycles at 100% DOD.

Are Ritar batteries valve regulated?

The most important feature of all Ritar batteries is that they are valve-regulated. VRLA batteries are batteries constructed to eliminate the need for constant checks and to eliminate the emission of fumes or gases on a continuous basis and the attending dangers.

What Awards does Ritar international group win?

Congratulations! Ritar won two honorary awards: Best Energy Storage Battery Supplier and Best Energy Storage Demonstration Project. After twenty years of glory, we are setting sail again! Warmly celebrate the 20th anniversary of Ritar International Group!
