

ECCO Hybrid Inverter SUN-3 6 5 6 7 6 8K-SG05LP1-EU Sunsynk

What is sunsynk Ecco hybrid inverter?

Read and keep this manual for future ?... 2. PRODUCT INTRODUCTION The Sunsynk Ecco Hybrid Inverter is a multifunctional inverter combines the functions of an inverter, solar charger and battery charger to offer uninterrupted power support with a portable size.

Which Ecco hybrid inverter is suitable for residential and light commercial use?

Suitable for residential and light commercial use The 3.6kW and 5kW Sunsynk Ecco Hybrid Inverter is suitable for residential and light commercial use, maximising the self-consumption rate of solar energy and increasing your energy impedance. During the day, the PV system generates electricity which will be provided to the loads initially.

Does my Ecco hybrid inverter come with a model number sg01lp1?

*Please note, if your 3.6kW Ecco Hybrid Inverter comes with the model number SUNSYNK-3.6k-SG01LP1, please contact customer services to upgrade the firmware to SG04LP1. IP65

Can a 3.6kW Ecco inverter handle an oversized solar array?

That's not true! Our 3.6kW Ecco's are equipped with large Maximum Power Point Tracking (MPPT) capabilities, this inverter can handle oversized solar panel arrays. By pairing an oversized solar array with our inverter system, you can expect a more stable and consistent energy output, even on cloudy days.

Does a hybrid Ecco inverter work with a generator?

The 3.6kW Hybrid Ecco Inverter has you covered. Compatible with generators, you can now enhance your energy independence. During periods of low solar output, high-energy demands, or in remote locations, your trusty generator will kick in as a backup power source. The result?

Where should I put my Ecco inverter?

Tuck it under the stairs, in the loft, or your utility room- wherever you are, this inverter's compact design ensures that you don't have to compromise on energy solutions due to lack of space. Don't be fooled by its size, the 3.6kW Ecco can certainly pack a punch...read on to find out more!
