

Gel 12V 200AH Brightway

Why should you choose JYC 12v200ah gel battery?

The proven silica gel technology can improve battery cycle life and performance at wider temperature range. The deep discharge cycle life is increased 50% compared with the JYC GP series battery. The 12V200Ah gel battery made by JYC with the advantage of deep cycle life can be used in telecommunication systems.

What is JYC gel series battery?

JYC GEL series battery is manufactured with special separators and silica gel immobilizing the electrolyte inside the battery. The proven silica gel technology can improve battery cycle life and performance at wider temperature range. The deep discharge cycle life is increased 50% compared with the JYC GP series battery.

What is a Renogy gel battery?

This 12V 200Ah Deep Cycle Hybrid GEL Battery is perfect for critical systems due to its ability to withstand more than 750 charge/discharge cycles at 50% DOD. Stay protected against sudden loss of mains power and ensure your vehicle or off-grid systems stay powered with Renogy's GEL batteries.
