

# Gel Battery 150AH 12V Easun Power

Are easun power batteries reliable?

EASUN POWER's LiFePO<sub>4</sub> batteries are highly efficient and reliable. Made with Lithium Iron Phosphate, they outshine other types in safety and longevity. Equipped with a top-tier Battery Management System, they provide optimized performance across a variety of applications.

Who is easun power?

Easun Power provides hybrid inverter, solar controller and Lifepo<sub>4</sub> battery, with 10 years of experience in off grid and on grid PV systems, has own manufacturing factory.

What is JYC gel series battery?

JYC GEL series battery is manufactured with special separators and silica gel immobilizing the electrolyte inside the battery. The proven silica gel technology can improve battery cycle life and performance at wider temperature range. The deep discharge cycle life is increased 50% compared with the JYC GP series battery.
