

At present, the pumped storage power plants operating in Germany have a combined output of approximately 7GW. The Goldisthal pumped storage project, at 1060MW is Germany's largest, followed by Markersbach at 1050MW. Both projects are owned by Vattenfall, which plans to raise the height and regenerate the upper and lower reservoirs of the ...

China's Sungrow Power Supply Co Ltd (SHE:300274) has received a contract to deliver 30 MW/30 MWh of battery storage systems for a project in Germany. The order was placed by German renewable energy firm Smart Power GmbH, the Chinese solar inverter maker and energy storage supplier said on Wednesday.

Tricera Energy exhibiting at Intersolar / ees Europe in Munich last month. Image: Cameron Murray / Solar Media. German battery energy storage system (BESS) project developer Tricera Energy has been able to build its business thanks to "second use" battery modules from the country's automotive sector, its COO told Energy-Storage.news.. The Dresden ...

Jan Taschenberger, COO New Green Power & Gas, Uniper SE, und Roman Bernard, CEO of NGEN. Image: Uniper. German state-owned legacy plant operator Uniper will install a 50MW/100MWh BESS at a soon-to-be-decommissioned coal facility in partnership with NGEN, an energy storage operator and technology provider based in Slovenia.

China Southern Power Grid Energy Storage Co Ltd, formerly Yunnan Wenshan Electric Power Co Ltd, is a China-based company mainly engaged in hydropower business. The Company is mainly engaged in the development, investment, construction and operation of pumped storage, peak shaving hydropower and grid-side independent energy storage ...

The rapid uptake of wind power projects in Germany is creating a renaissance for pumped storage schemes across the country. Recent studies suggest that there may be more than 300GW of potentially feasible sites in the country, with an estimated 2-3TWh of storage capacity. Michael Heiland and Robert Achatz from Hydroprojekt give more details.

Trina Storage's new 10MWh battery storage product is claimed by the company to be the first in the US to include full cell-to-AC system integration from a single vendor. The energy storage arm of major global solar PV company Trina Solar announced the North American release of its new liquid-cooled Elementa 2 Elevate solution yesterday (26 ...
