

Heat-tolerant Battery HuaFu Energy Storage

How HuaFu can help you find the best battery solution?

Based more 30 years' experience on energy storage batteries, HuaFu will help find the best battery solution for your different applications. Series kind of gel battery with patented technology meet the inquiry for different operation temperature condition with super performance, and provide the cost-effective solution.

How much power does HuaFu produce a year?

Today, HuaFu has nearly 200 full-time R&D personnel, nearly 100 part-time R&D personnel, With International advanced automatic equipment and excellent producing process, HuaFu produces an annual capacity of approximately 4,000,000kVAh. Lead battery: Classify our lead battery into Energy Storage Battery Series, Back-Up Battery, EV Battery.

Who invented HuaFu battery?

Started from the production of traditional lead acid battery for energy storage, with the lead of Mr. Chunshan Ju, the brand of HuaFu's influence in the market was increasing.

HUAFU is one of the most professional energy storage battery manufacturers and suppliers in China, featured by quality products and competitive price. Welcome to buy high-grade energy storage battery for sale here from our factory.
