

# How long can breast milk be stored

How long can breast milk be stored?

Never store breast milk in disposable bottle liners or plastic bags that are not intended for storing breast milk. Freshly expressed or pumped milk can be stored: At room temperature (77°F or colder) for up to 4 hours. In the refrigerator for up to 4 days. In the freezer for about 6 months is best; up to 12 months is acceptable.

Can breast milk be stored in a freezer?

You can store breast milk in a refrigerator with a freezer that has a separate door (0°F or -18°C) for up to 12 months, although using it within six months is preferable. The earlier you use up your breast milk, the better, because longer storage can diminish the amount of vitamin C in it. The temperature of your freezer should be around 0°F.

Can breast milk be stored at room temperature?

Breast milk can be kept at room temperature, in a refrigerator or in a freezer -- and how long you can store your milk safely depends on its location and the containers you use. In most cases, you'll want to store 2 to 4 ounces of breast milk at a time. On average, this is the amount of milk that your baby consumes in a single feeding.

How long can milk be stored?

Milk can be stored: Up to four days in a standard refrigerator. Up to three to four months inside a standard refrigerator freezer. Up to six to 12 months in a separate deep freezer. In an insulated cooler bag with frozen ice packs for up to 24 hours while traveling.

How long can breast milk stay in the fridge?

Freshly pumped breast milk can be stored in the back of the refrigerator (39°F or 4°C) for up to four days-- just don't forget it's back there. Thawed, previously frozen breast milk can stay in the refrigerator for 24 hours before you have to throw it out. (No mom wants that!) So, only take out what you think your little one will need for a day.

How long can pumped milk be stored?

Freshly expressed or pumped milk can be stored: At room temperature (77°F or colder) for up to 4 hours. In the refrigerator for up to 4 days.
