

Huijue energy storage ceo

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment. Huijue Network products are exported to Europe, North America, Southeast Asia and other countries and regions, contact us now! ...
Model: HP10-Box5 household energy ...

Huijue Group prioritizes customer-centricity by delivering value through innovative products and services. We offer cutting-edge, energy-saving, and reliable energy storage systems solutions to major international operators. Our commitment extends to providing high-quality green digital experiences for work, life, and travel.

Huijue Group was founded in 2002, is leading Energy storage battery Manufacturer in China, to provide customers with the optimal energy storage system solutions and safe and efficient storage full range of products, covering household energy storage system, industrial and commercial energy storage system and site energy storage system.

Huijue Group's new generation energy storage inverter can meet the needs of photovoltaic and energy storage systems at the same time. It can not only realize grid-connected and off-grid functions, but also realize two-way control of electric energy. Intelligent control can achieve a high degree of autonomous dispatch of energy; touch screen It ...
