

Kinergier Series TBB Power

What is kinergier pro?

Kinergier Pro is a new generation inverter charger, combined with an inverter, battery charger, and transfer switch into one compact package, allowed to expand its system capacity through parallel and three phase operation up to 9 units. Featuring 0ms UPS transfer time, it is an ideal inverter for powering various mission-critical loads.

How does kinergier pro CK Work?

Kinergier Pro CK can automatically adjust its charging current by taking loads into account, and only use the surplus current to charge the battery to avoid overload to the limited AC source. Thus, Kinergier Pro can also keep generators running at their optimum power level.

What is kinergier pro bi-directional inverter?

Provided with outstanding surge power capability and low frequency transformer, Kinergier pro bi-directional inverter is suitable for heavy inductive load like refrigerator, coffee maker, microwave, power tools, air conditioner etc. Battery low voltage protect Provide battery low voltage protection depend on Environment with LCD.

Is kinergier pro CK better than a DC-coupled PV system?

Compared to a DC Coupled PV system, this AC-coupled PV system can better satisfy your self-consumption needs due to its bigger PV capacity. Kinergier Pro CK can automatically adjust its charging current by taking loads into account, and only use the surplus current to charge the battery to avoid overload to the limited AC source.

Does kinergier Pro support DC coupled solar?

In addition to DC Coupled Solar, Kinergier Pro also supports AC Coupled Solar operation. PV power is used to power the loads directly in a higher efficiency, then to charge the batteries. Kinergier Pro can also regulate the output power of a Grid-tie PV Inverter to prevent overcharging the batteries.

Who is TBB renewable?

TBB Renewable provides comprehensive service and support to you to help you grow and achieve optimal satisfaction.

Kinergier Series TBB Power Off-Grid; VHT-25K-50K-100... Veichi Electric Hybrid; Kinergier Pro C... TBB Power Hybrid; EUR0.101 / Wp . IS-060S/080S Inver Energy Micro-inverter; PV Inverter IG3... TBB Power On-Grid; EUR0.104 / Wp . BDM-800 ...
