

OPzS Batteries NorthBatt

What is an OPzS battery?

OPzS batteries are a type of deep-cycle battery commonly used for backup power systems and renewable energy applications. Featuring a tubular plate design, deep discharge capability, ventilation, and a variable energy range. OPzS is recommended for use in off grid or renewable situations.

Are OPzS batteries reliable?

OPzS batteries are highly reliable, offering a consistent energy output even under demanding conditions. Their deep discharge capabilities further enhance their suitability for critical applications where uninterrupted power supply is crucial.

What is a powersafe OPzS battery?

PowerSafe OPzS batteries feature tubular plate technology that offers excellent cycling performance together with a proven long life under float voltage conditions. The pasted negative flat plate design provides the perfect balance for maximum performance across a wide capacity range.

What is a northbatt traction lead acid battery?

NorthBatt Traction Lead Acid Batteries are designed to power all types of forklifts, industrial trucks and cleaning machines. NorthBatt deep cycle monoblock batteries. High quality chargers and accessories for Traction Batteries. NorthBatt Lead Acid batteries with Tubular plates for stand -by applications.

What are northbatt solar batteries?

NorthBatt Solar Batteries is a premium range developed for applications that require exceptional cycling performance. NorthBatt Traction Lead Acid Batteries are designed to power all types of forklifts, industrial trucks and cleaning machines. NorthBatt deep cycle monoblock batteries. High quality chargers and accessories for Traction Batteries.

What is a northbatt valve regulated lead acid battery?

NorthBatt Valve Regulated Lead Acid Batteries with Gel Electrolyte. NorthBatt Solar Batteries is a premium range developed for applications that require exceptional cycling performance. NorthBatt Traction Lead Acid Batteries are designed to power all types of forklifts, industrial trucks and cleaning machines.
