

OPzS Cells Series Upower

Why should you choose OPzS?

Optimum design, according to DIN international standards, exclusive use of high quality raw materials, robust construction and state of the art manufacturing processes make this OPzS range the ideal solution for stand-by applications requiring high level of safety and reliability.

What is sunlight OPzS?

Sunlight OPzS is a reliable backup power source, safeguarding the uninterrupted supply of energy and connectivity that our modern world needs. Learn more about this advanced lead-acid battery series for energy storage systems.

Why should you choose sunlight OPzS batteries?

Sunlight OPzS batteries are characterized by low maintenance requirements, long service life and excellent capacity performance while operating at high temperatures or unstable power network, thus providing a premium, efficient and cost effective energy solution.
