

# OPzV Gel Battery DETA Dryflex

What is a gel OPzV battery?

Gel OPzV batteries provide superior float and cycle performance, with up to 20-year design life in renewable and stationary applications. The batteries feature impact-resistant ABS cases and sliding terminal poles to prevent long-term damage. Gel OPzV batteries are valve regulated, maintenance-free, and provide the lowest total cost of ownership.

What is a solar OPzV battery?

Sealed GEL battery, no water topping up requirements through the entire lifetime. Product variants available for both vertical and horizontal placement. Sunlight OPzV range is an advanced lead-acid battery series for energy storage systems. The ideal solution for stand-by applications requiring high levels of safety and reliability.

What are Leoch tubular gel batteries?

Leoch Tubular Gel batteries, OPzV series, are Gel Valve-Regulated Lead-Acid batteries using tubular plates that have been optimized for cyclic applications. Engineered for long-life cyclic applications such as Renewable Energy Stations, OPzV batteries are manufactured in a wide variety and offer up to 20-year life design with high cyclic abilities.

Why should you choose Discover™ energy storage gel OPzV tubular batteries?

Our global sales team, located in major centres around the world, is standing by to provide guidance and advice as well as answer specific questions about all of your unique applications. Discover™ Energy Storage Gel OPzV Tubular batteries provide long and reliable performance in reserve power applications.

What are Eternity technologies OPzV batteries?

Eternity Technologies valve regulated lead-acid batteries for the solar power and renewable energy market. With an innovative Gel-Technology design Eternity Technologies OPzV batteries have a reliable maintenance-free and leakage-free construction.

Are OPzV batteries CE rated?

Engineered for long-life cyclic applications such as Renewable Energy Stations, OPzV batteries are manufactured in a wide variety and offer up to 20-year life design with high cyclic abilities. CE Marking Statement Leoch batteries do not bear the CE mark.
