

OPzV Series KIJO

What is OPzV battery?

OPzV battery offers the highest cycle life among all other lead-acid batteries, with significant savings on the cost per cycle. They are maintenance-free and have robust construction, providing the highest level of reliability and performance. OPzV battery has superior deep discharge durability and excellent recharging properties.

Are OPzV batteries good for industrial projects?

OPzV battery has superior deep discharge durability and excellent recharging properties. They are the best choice of batteries for industrial projects, even in remote installations with minimal supervision. In some regions of the world, where electricity is unstable, high-capacity backup power is required.

Which OPzV batteries are available in China?

KIJO is one of the leading OPzV battery manufacturers in China, and can offer OPzV batteries (includes 8 OPzV 800, 10 opzv 1000, 12 OPzV 1500, 24 OPzV 3000, etc.) at competitive prices, RFQ now! Capacity range: 2V200Ah-3000Ah, 12V45Ah-200Ah. Designed floating service life: 20 years at 25%. Cycle usage: 50% DOD above 2600 cycles.

KIJO está trabajando en el desarrollo de baterías de gel opzv, incluyendo 8 opzv 800, 10 opzv 1000, 12 opzv 1500, 24 opzv 3000, etc. Póngase en contacto con nosotros para obtener el precio de la batería opzv! ... Opzv Series (pure gel ...
