## SunWatts

What is a pwrcelltm Battery Cabinet?

The PWRcell™ Battery Cabinet is a Type 3R smart battery enclosure that allows for a range of storage configurations to suit any need. DC-couple to Generac PWRzone solar or PWRgenerator. No other smart battery offers the power and flexibility of PWRcell.

What is a pwrcell battery?

PWRcell represents the next step in Generac's 65-year history of backup power technology leadership. The PWRcell system is not just a powerful battery, but is also the most flexible and scalable home energy system on the market. With a standard Outdoor Rated (OR) battery cabinet, the PWRcell is compatible with most installs in nearly any climate.

Does pwrcell have a battery box?

Instead of a battery box, the Pwrcell system has a battery cabinet, which houses several lithium-ion battery modules. The battery cabinet houses three to six battery modules. The number of battery modules in the cabinet reflects the storage capacity available. A second battery cabinet can be installed for additional capacity.

What is a pwrcell solar & battery storage system?

A PWRcell Solar + Battery Storage system has all the power and capacity you need, enough to save money on energy bills and keep the whole home powered when the grid goes down. PWRcell goes above and beyond the competition with up to 10kW of continuous backup power and cohesive load management for further protection.

How much energy does a pwrcell store?

The Pwrcell stores energy in individual battery modules contained within a battery cabinet. One battery cabinet holds between 9 kWh and 18 kWh of energy, with capacity expandable in increments of 3 kWh. This design allows homeowners easier access to the capacity size that is "just right" for their home's energy needs.

Is pwrcell solar battery storage worth it?

PWRcell solar battery storage can be more affordable than you might think with \$0 money down financing options available. Overall, I'm impressed.

Easily monitor energy consumption and solar production, battery use and savings over time right from your phone. Plus, when you toggle on Outage Guard\*, your system will automatically shift energy to fill your PWRcell batteries to ensure ...
