

# Rack Mounted 10kWh Solar Battery Dawnice Battery

Why should you choose dawnice solar energy storage battery?

To Strive Forward No Energy Waste. Dawnice is a top solar home energy storage battery and industrial and commercial energy storage battery factory located in China. We insist on using high-standard A-grade lifepo4 cells, protective board and other accessories to ensure that our products can give customers the best experience.

How long do dawnice lithium batteries last?

?10+YearsLifespan? Dawnice Lithium batteries use Grade A battery cells,6000+cycle times,which is more than 10 times comparing with Lead-acid batteries (usually only last for 300-500 cycles).

What is 51.2v 206ah lithium battery?

?Advanced Technology? 51.2V 206Ah lithium battery adopts the most advanced lithium battery manufacturing technology, more stable performance and greater power. Our battery pack connections are all welded by machine, which avoids the problem of poor contact caused by manual work.

How many production lines does dawnice have?

Dawnice has 5fully automated production lines,and focuses on independent R&D and production. 80% of the engineers on the job have worked in the lithium battery industry for more than 10 years.
