

SOG Series

Who makes SOG knives?

SOG Specialty Knives, Inc. (commonly known as SOG) is an American knife and tool manufacturing company famous for their reproduction SOG Knife from the Vietnam era. SOG manufactures a variety of knives other than the original military inspired designs, many designed for everyday carry (EDC).

What is a SOG clip & how does it work?

It's a big billboard of a clip - the SOG logo displayed in large font to let everyone know you've got a knife in your pocket, which is probably cool in Texas but asking for arrest in New York. It's deep carry and fits in a slot in the butt of the knife, configurable for left or right handed tip up carry.

When did SOG knives come out?

To fully understand the story of SOG Knives, you first have to jump back a few decades to before the outfit's ultimate inception in 1986.

What makes a SOG XR automatic knife unique?

Sporting SOG's signature tactical influence, this objectively premium automatic knife starts with a contoured handle machined from aircraft-grade aluminum before being fitted with its patented XR locking mechanism.

What does SOG stand for?

SOG is an acronym, standing for Studies and Observations Group, which dates back prior to the Vietnam War in 1964. MACV-SOG (Military Assistance Command, Vietnam - Studies and Observations Group) was formed as a joint task force comprised of members from Army Special Forces, Navy SEALs, the Air Force, the CIA, and the Marines.

How does SOG evaluate products & services?

We independently evaluate all recommended products and services. Any products or services put forward appear in no particular order. If you click on links we provide, we may receive compensation. SOG is a familiar name to knife aficionados as well as those that frequent sporting-goods stores.
