

# SP Premium

What makes SP premium different?

With SP Premium, you get advanced data loss prevention, improved security, and enhanced compliance features. But what really sets SP Premium apart is its ability to provide advanced analytics and reporting. It's not just about storing files; it's about understanding how your team interacts with them.

What is SharePoint premium?

"SharePoint Premium brings AI, automation, and added security to your content experiences, processing, and governance," according to Jeff Teper, President, Microsoft 365 Collaborative Apps and Platforms. 2. How is this new SharePoint different from regular SharePoint? Think of regular SharePoint as your trusty sidekick, doing its core job well.

How does premium individual work?

Get Premium Individual and enjoy full control of your listening. And many more! Additionally, you get 15 hours of audiobooks listening time per month from our Audiobooks Subscriber Catalog. Unused listening hours expire at the end of each month and do not carry over. You can purchase more hours by topping up.

How much does premium cost?

Listen without limits. Try 1 month of Premium Individual for free. Only \$11.99/month after. Cancel anytime. Free for 1 month, then \$11.99 per month after. Offer only available if you haven't tried Premium before. Terms apply. Go Premium and enjoy full control of your listening. Cancel anytime.

Will SharePoint premium be available in 2024?

SharePoint Premium will be widely available in the first half of 2024. However, some content processing services are available now. Services that are now available with Microsoft Syntex will also be moving to SharePoint Premium this year. 5. How does Colligo work with the new SharePoint?

Does SharePoint premium integrate with Microsoft Teams?

This is made possible through real-time co-authoring, version control, and team sites. In addition, SharePoint Premium integrates with Microsoft Teams. This allows for seamless communication and collaboration within the platform, especially helpful for remote teams or organizations with multiple locations.
