

Soltaro AIO Soltaro

Who is soltaro?

Soltaro are industry-leading providers of solar battery storage solutions, operating worldwide and partnering with numerous well-known retailers. When it comes to innovative solar storage systems, we are the go-to for both home and commercial properties.

What is a soltaro battery?

Soltaro offers two flagship battery products in Australia, the AIO2 and the newer AIO3. Both series feature LiFePO4 (LFP) chemistry with over 10,000 cycle life, ensuring long-term durability. These batteries are All-in-one Energy Storage Systems (ESS) designed to cater to both on-grid and off-grid applications.

Why should you choose soltaro aio2?

As the AIO2 incorporates MPPT technology, it will always allow you to get the best out of your solar PV system. When grid-connected, or connected to a local micro-grid, the Soltaro AIO2 can be connected in parallel. This allows your system to be modular and expandable as your energy storage needs change. The batteries are also modular.

What is a soltaro ESS?

Soltaro's flagship product range for home energy storage these days is the Australian-designed and engineered AIO2 ESS, available in 5kWh or 10kWh capacities - expandable up to 30kWh. This is an All-In-One ESS combining the battery pack, inverter and battery management system.

Does soltaro offer a warranty?

Also, Soltaro offers a 10 year or 10,000 charging cycle (whichever comes first) warranty on their domestic battery systems. Soltaro offers two flagship battery products in Australia, the AIO2 and the newer AIO3. Both series feature LiFePO4 (LFP) chemistry with over 10,000 cycle life, ensuring long-term durability.

Can a soltaro aio2 be used on-grid?

The Soltaro AIO2 can be used both on-grid and off-grid. It is also capable of being used for an on-grid battery backup. This gives the AIO2 the ultimate flexibility for homes and small businesses who need to ensure they don't lose power when it matters most.

Solitario Verde. Solitario classico è un popolare gioco di pazienza. È un gioco di carte per una persona. Il Solitario Klondike è diventato popolare nel XIX secolo durante la corsa all'oro a Yukon, il territorio in Canada nord-occidentale.
