The origin of Sunstar dates back to 1932 when Kaneda Keitei Shokai was founded and began manufacturing and selling of rubber glue for bicycles. By applying the manufacturing technology used in pouring rubber glue into metal-tube containers, the company developed and introduced toothpaste in tube containers in 1946, when mainstream dentifrices were still in powder form. ...

SUNSTAR"s humble beginnings started in 1970s. Our founders incorporated a canning plant and started producing canned Asian"s favourites in a small scale factory located in Selangor, Malaysia. Our products such as Seri Kaya, Baked Beans and Chicken Curry have warmed hearts and stomachs of our fellow customers ever since.
