

Sunny Island 4 4M 6 0H 8 0H SMA

Does sunny island work with a self-consumption system?

Works with self-consumption systems, battery backup systems and off-grid systems.* As a core element in the SMA Flexible Storage System, the Sunny Island temporarily stores the solar power from the system. It automatically controls the power consumption in the home in conjunction with the intelligent Sunny Home Manager 2.0 energy manager.

What is the efficiency profile of sunny island 6.0h / 8.0h?

Sunny Island 6.0H Efficiency Profile Sunny Island 8.0H Efficiency Profile Switchover times of the Sunny Island 6.0H / 8.0H Energy Consumption in No-Load Operation and Standby or Energy-Saving Mode Noise Emission Grid Configuration Protective Devices Equipment Data Storage Capacity DC Load Limitation Curve of the Multifunction Relays General Data

What is SMA sunny island?

Intelligent load and energy management keeps the system running even in critical situations. The Sunny Island is the ultimate all-purpose solution-- and includes a 10-year warranty*. *) Device registration via the SMA product registration homepage (sma-service.com).

How efficient is the sunny island inverter?

The Sunny Island runs reliably under even the most extreme conditions - without compromising its efficiency. SI 4.4M, SI 6.0H and SI 8.0H for systems from 1kW to 8kW. Up to three SI 6.0H or SI 8.0H inverters can be coupled in parallel in one phase for system from 3kW to 24kW.

How do I change the operating parameters in sunny island?

When the utility grid is available again, the system must be charged manually (see Sunny Island operating manual). The basic procedure for changing operating parameters is explained in another section (see Section 8.6 "Changing Operating Parameters", page 111). Select Device > Device > Self-consumption.

What is a sunny island battery inverter?

The Sunny Island battery inverter supports a wide range of on- and off-grid installations with compelling product features -- from operation in off-grid areas to home energy management. Users can benefit from SMA's experience in having installed more than 150,000 Sunny Island inverters worldwide.
