

Superpack 512V High Voltage LiFePO4 Battery Energy Storage System Superpack

What are the benefits of a power pack storage battery?

You can even boil water if the power pack Rack energy storage battery. It can provide energy storage and electricity for families. Its flexible to make the ESS from 5kwh to 80kwh with them for telecom base station, home/small business/base station use

What is a lithium Superpack battery?

Victron Energy's recently introduced Lithium SuperPack range comes in the following capacities and voltages: 12.8V & 25.6V Lithium SuperPack batteries: These SuperPacks will give you 2,500 cycles to 80% depth of discharge at 25°C, much more than lead.

Why should you choose Superpack?

Superpack team is devoted to providing customer affordable, high performance/performance, reliable, fashion household energy storage solution. We adopt first class LiFePO4 cells and inverters to ensure our products exceed industry standards. Why Choose us? Superpack is to assist every family with economic electricity everyday.

Does Superpack work with inverters?

Superpack is to assist every family with economic electricity everyday. Superpack's advanced BMS technology and high-efficiency inverters keep your house clean and safe. Superpack's household energy storage batteries are compatible with popular inverters on the market!

Are Superpack batteries compatible with ESS inverters?

Superpack's advanced BMS technology and high-efficiency inverters keep your house clean and safe. Superpack's household energy storage batteries are compatible with popular inverters on the market! If you are a distributor of these inverters or installer for ESS, Superpack will be your reliable partner.

What is a victron Superpack?

The main difference to Victron's other lithium offerings are the SuperPacks keep everything in one package, by having an integrated BMS and safety switch built-in. No additional components are needed as the internal switch will disconnect the battery in case of over discharge, over charge or high temperature. Simple, compact and safe.
