Chinese power equipment and cable manufacturer TBEA Co. Ltd. announced on April 11 that its subsidiary TBEA Xinjiang Sunoasis Co. Ltd. will invest RMB 618 million to set up a 150MW PV project in Wuwei, which is a prefecture-level city in China's Gansu Province.

The Bengaluru factory will support customers with high-quality PV inverter production and manufacturing, service and maintenance, and after-sales transit storage. TBEA India has rolled out a plan to introduce three assembly lines. Initially, the production of inverters will start on two assembly lines with a capacity of 1 GW each.
