

X3 ULTRA SolaX Power

What is x3 Ultra Series?

It greatly meets the requirements of solar-powered roofs and supports various intelligent solutions such as load management, wireless metering, dual battery terminals, microgrids, etc., to achieve efficient and economical energy utilization. The X3 ULTRA series can be used with different capacities of SolaX battery. View more details

Why is x3 Ultra Series inverter unable to achieve zero export?

o Since X3-ULTRA series inverter is unable to control the output power of on-grid inverter in grid connection mode, therefore X3-ULTRA series inverter can not achieve zero export when loads power + battery charging power < on-grid inverter output... Page 160 Grid and EPS connection on X3-ULTRA series inverter.

What is the X3 Ultra Series inverter?

The X3-ULTRA series is a versatile inverter that includes inversion, solar charging, and battery charging, etc.

What is x3 ultra manual?

Page 4 About This Manual Scope of Validity This manual is an integral part of X3-ULTRA series inverter. It describes the installation, electrical connection, commissioning, maintenance and troubleshooting of the product. Please read it carefully before operating. This manual is valid for the following inverter models: o...

What is EV charger x3-ultra series inverter?

EV Charger X3-ULTRA series inverter can communicate with SolaX EV-Charger (supported) to form an intelligent photovoltaic, storage and EV charging energy system, thus maximizing the utilization of photovoltaic energy. Please refer to "15.3 EV-Charger Application"... Observe the caution signs on the packaging of inverter before transportation.

How does the Solax adapter box G2 work?

With the SolaX Adapter Box G2, users can effectively utilize solar energy by commanding it to power their heat pump using settings available on the SolaX inverter and SolaXCloud.

SolaX Power představuje svou nejnovější inovaci v oblasti hybridních systémů - hybrid X3 Ultra, která představuje vrchol technologie pro komerční i rezidenční instalace. X3 Ultra přináší; pro efektivní;
